*"There is really one primary reason why Jesus was born. He was only a baby so he could be a man and die... Those soft baby hands, fashioned by the Holy Spirit in Mary's womb were made in order that nails might be driven through them. Those chubby feet, pink and unable to walk, were one day to walk a hill and be nailed to a cross. That sweet head with sparkling eyes and eager mouth was formed in order that someday men might crush into a crown of thorns. That tender body, warm and soft, wrapped in swaddling clothes would one day be ripped open by a spear to reveal a broken heart and that's exactly why God made that body. Jesus was born to die."*

John MacArthur
