In reference to Revelation 21:19-20...

“You know that the stones of which this holy city is built are living stones. You and I, if we are trusting in the Lord Jesus Christ, shall be there, living stones prepared by living grace to have a name and a place in this living city. But what changes will have to be wrought in us before we are fit to be put among these precious jewels! We are like poor blocks of common-looking stone, but we do not know what we shall be like when we have been cut and polished on the great Lapidary’s wheel. You may take a precious stone to a jeweler, and ask him what its value is, but he will say, “I cannot tell what it is worth until it has been cut and polished.” That is how the Lord will prove the value of his living stones. If he will but work upon us by his grace, we cannot tell what he will make of us before he places us in the position he has appointed for us in the glorious city that rests upon these twelve precious foundations.” {Charles H. Spurgeon}

An Evening With The Sounds Of Christmas

“Christmas is a season for singing – a midwinter’s epoch of joyful music – and the hymns of Christmas are among the best-known songs in the world. Beginning on that wondrous night when angelic choirs hovered over Bethlehem’s fields and down to our own day, Yuletide carols have cheered the world with the greatest news in history. No wonder we sing them from our earliest days to our grayest years.” As we continue our “An Evening With” series, we invite you to join us **Saturday, December 2** for An Evening With The Sounds Of Christmas. We will spend an evening singing our most cherished Christmas hymns & learn the stories behind them. Mark the date on your calendar & make plans to join us as we sing & celebrate the birth of our Savior!

FYI...If you & your family would like to research & share the story of a favorite carol, please see the sign-up sheet located on the bulletin board in the basement.
