Benediction	

We keep the Sabbath-day holy, by "consecrating and dedicating" this day to the "service of the high God." It is good to rest on the Sabbath-day from the works of our vocation; but if we rest from labor and do no more—the ox and the donkey keep the Sabbath as well as we; for they rest from labor. We must dedicate the day to God; we must not only "keep a Sabbath," but "sanctify" a Sabbath.
