The kingdom of God does not consist in talk, but in power, that is, in works and practice. God loves the 'doers of the word' in faith and love, and not the 'mere hearers,' who, like parrots, have learned to utter certain expressions with readiness.

Today Is Sanctity of Human Life Sunday

How beautiful are the words of Jesus in Mark 10:14 as He welcomes the little children into His presence. Yet despite those words, in America nearly one million unborn children die by abortion every year. Figures worldwide top 50 million annually.

The time has come for God's church to rise up and with a mighty voice cry out against the atrocity of abortion that destroys not only the baby's life but forever changes the life of its mother. The time has also come for the church to rise up against abortion and become involved in the lives of those who chose abortion in the past or who now face an unwanted pregnancy. *(Source: Southern Baptist Conv)*

With this in mind, the Ladies Fellowship of Crosspoint Fellowship will be assisting LifeChoices Medical Clinic & Resource Center with upcoming events & mailings. LifeChoices has expressed an immediate need that they currently have. If you are interested in helping us please see Missy Snow for more information.
