J.C. Ryle's commentary on today's text found in Matthew 22:15-22...

"It becomes all professing Christians to be much on their guard against FLATTERY. We mistake greatly if we suppose that persecution and hard usage are the only weapons in Satan's armory. That crafty foe has other engines for doing us mischief, which he knows well how to work. He knows how to poison souls by the world's seductive kindness, when he cannot frighten them by the fiery dart and the sword. Let us not be ignorant of his devices. By peace he destroys many."
