Evangelist Ray Comfort released this week a must see 30 minute documovie on Noah and the Last Days! This isn't Hollywood's version starring Russell Crowe in which Hollywood has listed as a 'fantasy movie.'" Instead, Noah and the Last Days is life changing and is based on truth found in the scriptures. Rather than tell the story of Noah and the ark, Ray Comfort looks at the parallels between Noah's day and ours and gives 10 biblical signs of the last days. The video can be freely viewed at www.noahthemovie.com.
