#### **New gospel tracts are now available!**

**The Gospel of Jesus Christ** by Paul Washer is best used as a follow up to a gospel conversation, yet has often been used as a general guide for presenting the gospel with someone, working through the tract with them, point by point, explaining it, and then leaving it for them to keep.

**Good Teacher or God Incarnate** focuses on the claims which Jesus made about Himself and attempts to show that an honest assessment of the evidence will not allow us to think of Jesus as merely a good teacher, but requires us either to worship Him as Lord or dismiss Him as a liar or lunatic. (Fans of C. S. Lewis will recognize this argument, and the author even quotes Lewis at the conclusion.) *Most importantly, the verses used also present the basic substance of the gospel as the tract progresses.*

The tracts are located on the table in the staircase. As with all items on that table, you are encouraged to use these free items to evangelize and share the Word of God.
