"A thankful heart is one of the primary identifying characteristics of a believer. It stands in stark contrast to pride, selfishness, and worry. And it helps fortify the believer's trust in the Lord and reliance of His provision, even in the toughest times. No matter how choppy the seas become, a believer's heart is buoyed by constant praise and gratefulness to the Lord."

-John MacArthur

We might think ourselves happy, if we had seen the Holy Jesus after He was risen from the dead, and our hands had handled that Lord of life. But more happy are they who have not seen him, and yet having felt the power of his resurrection, therefore believe in him. For many saw our divine master, who were not saved by him; but whosoever has thus felt the power of his resurrection, has the earnest of his inheritance in his heart, he has passed from death to life, and shall never fall into final condemnation.
