“Keep me walking steadfastly towards the country of everlasting delights, that paradise-land which is my true inheritance. Support me by the strength of heaven that I may never turn back, or desire false pleasures that will disappear into nothing. As I pursue my heavenly journey by Your grace let me be known as a man with no aim but that of a burning desire for You, and the good and salvation of my fellow men.”

*Excerpt from the Puritan Prayer, Divine Support*

John MacArthur recently preached a sermon titled, **How God Restrains Evil In Society**. In the near future, CD's of this sermon will be made available for distribution to our local civil authorities. Through this distribution, it is Crosspoint's desire to encourage these individuals in this noble, exalted calling of God. **The sermon DVD will be shown this Wednesday evening at 7pm.** Following is an excerpt from this sermon...

“Every person is born in sin. Sin nature is passed down from its parents. It goes all the way back to Adam and Eve. When Adam and Eve fell, their disposition changed. And then everything that's come from Adam and Eve, every human that's ever been born in the history of the world, has been born a sinner, passed down from the original parents. You want proof? Everybody dies. Salvation of God makes new hearts. The power of God then comes from the inside, overpowering that corruption. Not that we're perfect, but we have new desires, new longings, new aspirations, new hopes, and new direction. The church then offers the ultimate restraint, a transformed heart. The work of God in salvation is the great restraining work.”

Benjamin Barnett has expressed his desire to unite with Crosspoint Fellowship. Benjamin has submitted his membership application and has been interviewed by the Elder. For congregational viewing, his application is located on the side table in the sanctuary. Upon congregational approval on Sept 13, Benjamin will be received into full covenant fellowship.
