Dispatches From The Front, Episode 6: The Power Of His Rising

Over two billion people in the world have no access to the Gospel – no Bible, no church, no Christians, no hope. Since many of them live in countries closed to traditional missionaries, how will they hear the Good News? One way is that Christ is calling and equipping men and women with skills – professionals – to use their talents to reach people who are hard to get to. **The Power of His Rising** is an inside look at how this is unfolding in South Asia, where baristas and bakers, pilots and farmers are a force for the Gospel! It's an amazing journey by land, sea and air – down crowded streets and remote rivers – to find light shining in darkness and persecuted believers singing because of Jesus! Another window is opened to see Christ at work in the world through His endless life and relentless grace!

"And the gospel must first be preached to all nations."

Mark 13:10
