The grave – what is it? It is the bath in which the Christian puts on the clothes of his body to have them washed & cleansed. Death – what is it? It is the waiting room where we robe ourselves for immortality; it is the place where the body, like Esther, bathes itself in spices that it may be fit for the embrace of its Lord. Death is the gate of life; I will not fear to die, then.

Charles Haddon Spurgeon

New Bible Studies...

Join us Wednesday evenings at 7pm as we embark on a 6 week study, **Calvinism and the Christian Life** by Ian Hamilton. It is impossible to encounter God's majestic grace & not be powerfully, deeply, & permanently changed. John Calvin knew this. In this series, Pastor Ian Hamilton demonstrates that Calvinism is the overflow of a life captivated by the gospel of Jesus Christ. This theology is not simply academic. It is vital God-centered Christianity with important implications for our daily lives. Pastor Hamilton shows us a world where the triune God is the center of everything & where the grace of Jesus Christ shapes life in its length & breadth.

The men will be meeting monthly as they work their way through the book, **The Master's Plan for the Church** by John MacArthur. Dr. MacArthur notes that *"it is absolutely essential for a church to perceive itself as an institution for the Glory of God, and to do that, the local church must adhere unfalteringly to biblical leadership principles. Christ never intended church leadership to be earned by seniority, purchased with money, or inherited through family ties. Not only is this book pertinent for pastors and elders, but for anyone who wants the church to be what God intended it to be."*

The women will be meeting weekly on Tuesday evenings for an eight-week study on biblical womanhood titled **True Woman 101** by Mary Kassian & Nancy Leigh Demoss. As Elisabeth Elliot said, *"We are called to be women. The fact that I am a woman does not make me a different kind of Christian, but the fact that I am a Christian does make me a different kind of woman. For I have accepted God's idea of me, and my whole life is an offering back to Him of all that I am and all that He wants me to be."*
