#### Attention Parents!

Crosspoint will be hosting a Parent's Night Out on Saturday, February 13 from 3-8pm. The kids always love being together & this will be no exception, as they enjoy food, fun, crafts, & games! Greg, Missy, & Hannah (and anyone else who would love to join us) will be watching the kids while Mom & Dad are enjoying an evening out. Sign-up sheet is located on the bulletin board in the basement. If you have any questions just ask Hannah or Missy.

#### Corporate Bible Study – Why I Love the Church

The men are currently working through *The Master's Plan for the Church* by John MacArthur. On Sunday, February 14, they would like to invite their families (women & children) to join them in the study, which is titled, "*Why I Love the Church.*" The study will begin at approx 12:30pm & will last approx 45 minutes. Childcare will be provided in the basement for children who are not attending the afternoon study.

*"Another activity of heaven that occurs in the church is the fellowship of the saints. Our fellowship in the church on earth is a foretaste of the perfect communion we will enjoy in heaven. The church, then, is like an earthly expression of heaven. It is the closest we can get to heaven on earth...All of this is why I love the church. And as long as the Lord gives me breath, I hope to invest my life and energies in the ministry and advancement of the true church's mission."* John MacArthur

"There is no good thing wrought in us but it is the work of God he works in us, before we are fit for any good work...therefore, Eternal glory is due to him, who is the cause of all the good principles wrought in us and all the good works done by us. To this everyone should say, Amen."

*Matthew Henry*
