Observance of The Lord's Supper

"If you don't see the greatness of God then all the things that money can buy become very exciting. If you can't see the sun you will be impressed with a street light. If you've never felt thunder and lightning you'll be impressed with fireworks. And if you turn your back on the greatness and majesty of God you'll fall in love with a world of shadows and short-lived pleasures."

John Piper

Corporate Bible Study – Why I Love the Church

The men are currently working through *The Master's Plan for the Church* by John MacArthur. On Sunday, February 14, they would like to invite their families (women & children) to join them in the study, which is titled, "*Why I Love the Church.*" The study will begin at approx 12:30pm & will last approx 45 minutes. Childcare will be provided in the basement for children who are not attending the afternoon study.

"Another activity of heaven that occurs in the church is the fellowship of the saints. Our fellowship in the church on earth is a foretaste of the perfect communion we will enjoy in heaven. The church, then, is like an earthly expression of heaven. It is the closest we can get to heaven on earth...All of this is why I love the church. And as long as the Lord gives me breath, I hope to invest my life and energies in the ministry and advancement of the true church's mission." John MacArthur
