“That blood was sprinkled on door-post and lintel; and by it Israel was separated from Egypt. The only difference between Israel and Egypt was marked the blood. So it is now. The only difference between God’s elect and the reprobate of the earth is the blood. The world has always hated this fact. Beginning with Cain, the people of the world have ever despised the blood of Christ, despised it as the sinner’s only door of access to and acceptance with God. The people of God, like Abel, acknowledge this distinction, rejoice in it, and give thanks to God for it.”
