“When I know that Christ is the one real sacrifice for my sins, that His work on my behalf has been accepted by God, that He is my heavenly Intercessor – then His blood is the antidote to the poison in the voices that echo in my conscience, condemning me for my many failures. Indeed, Christ’s shed blood chokes them into silence!”

Christ Is Our Life, as He Delivered Us from the Sentence of Everlasting Death!

He reversed that sentence of condemnation. The exclusive power to give life to the condemned was claimed by him.

1. Christ has answered all the demands of the law. All men have sinned; by the law they are subject to the punishment of death. Law cannot, in its own nature, admit of pardon — it can only show our sin to us.

Christ came and died to answer the demand of law by his *substitutionary atonement*. An adequate substitute for sinful man, cannot be another sinful man, because a man can do nothing beyond his duty. A Divine substitute is the only reason for diverting the demands of the law from the person actually guilty. Where is this substitute to be found? "We have been made holy through the sacrifice of the body of Jesus Christ once for all." Hebrews 10:10

2. He gives man to enjoy the benefits of his substitution. The great results of it are, pardon, justification, and adoption, as realized in this life. Beautifully stated, in Acts 13:38, 39; Romans 8:1, 33, 34; Galatians 3:13, 14, 26; 1 John 3:1.

Now think of these great blessings, unmerited, undeserved — perfectly free and gratuitous, purchased by the agony and unparalleled sufferings and death of Christ! On that cross he was bound as a captive, that I might be free! He was smitten and afflicted by God, instead of me.

William Nicholson, 1862
