"It is possible, my dear reader, that this page may be read by you at a period of painful and entire separation from all public engagements, ordinances, and privileges. The way which it has pleased God to take thus to set you aside may be painful and humbling...The very circumstances, new and peculiar as they are, in which you are placed, God can convert into new and peculiar mercies; yes, into the richest means of grace with which your soul was ever fed...You will not regret that the Lord has set you apart from others, that you might rest awhile in His blest embrace; alone with Jesus!"

Octavius Winslow
